

# Process Modification Proposal PMP

Version 1.1      6 Oct. 2009      JT Thomas

This is the Potomac Valley Aquarium Society (PVAS) Breeders' Award Program (BAP) Requirement Change Proposal (RCP) form. This is to be used to propose changes to the BAP Rules and Procedures Document or mass changes to the BAP Point values Document. (Single Species changes use the RCP). All PMPs must be approved by the BAP committee to go into effect. Declined PMPs may be appealed to the PVAS Board of directors. All PMPs which obligate PVAS resources, financial or otherwise must be approved by the PVAS Board.

<b>Submitter:</b>			<b>Date:</b>		
<b>This Proposal</b>		Does	obligate PVAS Resources or Cross Committees		
	X	Does Not			
<b>BAP Approval:</b>	Approved / Denied		<b>Date:</b>		
<b>Board Approval:</b>	Approved / Denied / NA		<b>Date:</b>		
<b>Effective Date:</b>					
<b>Proposed Change</b>	<p>Describe the proposed change:</p> <p>Note that if this change will in any way obligate PVAS resources, whether because it has a monetary cost or because it makes use of PVAS assets outside the BAP (e.g. The PVAS Web Site or Delta Tale), this request Must also gain PVAS Boar approval.</p> <ul style="list-style-type: none"> <li>If possible cite the sections of the BAP Rules and Procedures Document to be changed.</li> <li>Note if there is any question as to whether this will brequire board approval.</li> <li>The BAP reserves the right to suggest changes to this field and make them with the Submitter's advice and consent.</li> </ul> <p>Describe the request precisely, and if you present multiple options, clearly identify them.</p>				
<b>Justification</b>	<p>Support your request for change here.</p> <p>Ultimately, the goal is to persuade the BAP committee to agree with your change, so be persuasive. Use as much space as you like, and feel free to attach pages.</p>
